HEAVY DUTY LINE MARKING PAINT

2.5L & 5L

White

Yellow

### A HEAVY DUTY, QUICK DRYING LINE MARKING PAINT FOR CAR PARKS, PLAYGROUNDS & INDUSTRIAL FLOORS

FixMaster Line Marker HD is a multi-purpose acrylic resin line marking paint which dries very quickly in low temperatures very quickly allowing the area to be back in use quickly. It can take foot traffic in just 1 hour and will take wheeled traffic in 2 hours. Line Marker HD is suitable for a wide variety of surfaces including bare concrete, asphalt, wood and previously painted floors. It is ideal for areas where a long shutdown period would be a problem.

- Heavy duty, suitable for high traffic areas
- Quick drying, even at low temperatures
- Suitable of external or well-ventilated internal areas
- Acrylic resin formula
- No mixing required
- Roller or brush application

#### HOW TO USE IT:

##### Surface Preparation

Ensure surfaces are clean, dry and free from any loose material. Remove any dirt, oil, surface laitance or grease with [FixMaster Bio-Clean](#).

##### Application

Stir thoroughly and apply by roller or brush. Ensure that the lid is always replaced in order to prevent the paint from drying out.

##### Limitations

FixMaster Line Marker HD is not recommended for use on newly laid polymer screeds. If in doubt do a small test area. ALWAYS conduct a small test area before using Line Marker HD on existing paint.

#### CURING TIMES @ 20°C:

Touch dry 15 minutes

Foot traffic 1 hour

Wheeled traffic 2 hours

#### COVERAGE:

5 litres will cover approximately 250 metres of 100mm wide line.

#### SHELF LIFE:

One year in sealed containers.

#### CLEANING TOOLS:

One year in sealed containers.

#### SAFETY:

Keep container in a well-ventilated place. Keep away for sources of ignition. Wear suitable clothing and gloves. Only for use externally or well-ventilated internal areas. The product and container must be disposed of as hazardous waste. Material Safety Data Sheets available upon request.
